1. Coverage description

Travel insurance covers only losses that occur as a result of sudden and unforeseeable *events*. The duration of the coverage and the amounts of insurance that apply to your contract are indicated in the table of coverage.

This Travel Insurance is an individual insurance offered to *cardholders*. As a *cardholder*, you are automatically covered for all the trips you take outside your *province of residence*. Subject to certain terms and conditions, this insurance also covers your *spouse* and your *dependent children* if they accompany you throughout their *trip*.

Your Travel Insurance plan also gives you access to the Assistance Service during your *trip*.

We encourage you to read these general conditions of your contract carefully, and draw your attention, in particular, to the **“Limitations for Pre-Existing Medical Conditions or Injuries”** on pages 15 to 17. Also examine the **Limitations, Restrictions and Exclusions**, indicated on pages 15 to 24. In addition, refer to pages 28 to 31 for an explanation of the procedure for submitting **claims**. Do not hesitate to contact your *Insurer* to check the scope of coverage for which you are eligible. You may also need to speak with your *physician* to obtain information regarding your health or your medical record.

Contract

Your insurance contract includes the following documents:

- these general conditions;
- any rider or appendix related to contract changes or updates;

The terms and conditions indicated in these general conditions apply to all coverages that commence as of January 15, 2017.

Who is eligible?

To be eligible for the coverage offered under this Travel Insurance, you, your *spouse* and *dependent child*, must satisfy the following conditions:

- a) You must be a *Canadian resident* and be at least 15 days old;
- b) Your *age*, on the date of departure, must be lower than or equal to the maximum *age* indicated in the table of coverage;
- c) Your *credit card* must have been activated prior to departure;
- d) Your privileges as a *cardholder* must not have been suspended;
- e) Your *credit card* must not be in arrears for more than 90 days;
- f) Your *trip* must begin and end in Canada, in your *province of residence*;
- g) Your *trip* must be taken outside your *province of residence*; this condition, however, does not apply to **Common Carrier Accident coverage** and **Trip Cancellation coverage**;

Also, to be eligible for Travel Insurance, the *spouse* and *dependent children* of the *cardholder* must accompany the *cardholder* throughout their *trip*.

2. What coverages are offered?

1. Common Carrier Accident coverage

Under this coverage you are insured against any *accident* that occurs while you are travelling as paying passengers in a *common carrier*. **To be eligible, you must have purchased for yourself, with your *credit card*, a ticket to travel in a *common carrier*. Your *spouse* and your *dependent children* will receive the same coverage if you purchased their tickets with your *credit card* and if they accompany you throughout their *trip*.**

You are also covered:

- a) when boarding or leaving a *common carrier*,

- b) when you have in your possession tickets already paid for with your *credit card* and are using another means of ground transportation. This means of transportation must be operated by a carrier licensed for passenger transportation. *Insureds* use it to go to or come back from the airport, station or harbour (wharf) with the intention of using, or immediately after using, the *common carrier* for which you purchased the tickets;
- c) when you have in your possession tickets already paid for with your *credit card* and are on the grounds of the airport, station or harbour with the intention of using, or immediately after using, the *common carrier* for which you purchased the tickets.

The *Insurer* will pay a benefit to any *insured* who suffers one of the losses indicated below as a result of an *accident*. If so, the *insured* is entitled to an amount that represents a percentage of the maximum amount of insurance shown in the table of coverage. This amount applies to the *cardholder* and their *spouse* and *dependent children*, if applicable.

Accidental loss	Percentage of the insurance amount
• of life	100%
• of use of two of the following limbs: foot, hand or eye	75%
• of use of one of the following limbs: foot, hand or eye	50%
• of use of one thumb and index finger of the same hand	25%
• of use of one finger or one toe	10%

An *insured* ceases to be covered:

- a) when they leave the *common carrier* for which the tickets were purchased using the *holder's credit card*;
- b) immediately following a situation described above;

- c) when they leave a ground *common carrier*, operated by a carrier licensed for passenger transportation, that they used to come back from the airport, station or harbour (wharf) immediately after using the *common carrier* for which the tickets were purchased.

2. Trip Cancellation coverage

Under this coverage you are insured against expenses related to the cancellation of a *trip*. The cancellation must be due to the causes indicated in this section and recognized by the *Insurer*. The expenses eligible for reimbursement are those that were prepaid with your *credit card* for you, your *spouse* or your *dependent children*.

Also, to be eligible, your *spouse* and your *dependent children* must accompany you throughout their *trip*.

Causes of cancellation – For the causes mentioned in subsections "a" to "g", the *illness* or *accident* must be serious enough to prevent you from proceeding with your *trip*. In the case of a dispute, the *Insurer* also reserves the right to have the person in question examined by a *physician* of its choosing. The causes for cancellation recognized by the *Insurer* for the purposes of this coverage are as follows:

- a) You or one of your *family members* becomes ill, has an *accident* or dies.
- b) Your *travelling companion* becomes ill, has an *accident*, dies or is unable to take the *trip* due to one of the causes of cancellation stipulated in this section.
- c) A *family member* of your *travelling companion* becomes ill, has an *accident* or dies.
- d) The person responsible for the care of your *dependent children* or the person for whom you are the legal guardian becomes ill, has an *accident* or dies.
- e) Your business partner, a *key employee* or your *host at destination* becomes ill, has an *accident* or dies.
- f) You, your *spouse*, your *travelling companion*, or the *spouse* of your *travelling companion* becomes pregnant:
 - after your *trip* is reserved; and

- the scheduled return date occurs during the 60 days preceding the due date or any time following the due date.
- g) The *business meeting* you are scheduled to attend is cancelled. This cancellation is necessary because the person with whom prior arrangements were made becomes ill, has an *accident* or dies. Reimbursement is limited to transportation expenses and a maximum of 3 days of accommodation.
- h) You or your *travelling companion* receives notice of custody of a child, the effective date of which occurs during the *trip*.
- i) You or your *travelling companion* is called upon to serve as a police officer, firefighter, or called upon to serve in the armed forces in active duty or as a reservist, or if you are called upon to provide essential healthcare services.
- j) You are summoned for jury duty or are subpoenaed as a witness during the time the *trip* is scheduled to take place.
- k) You are quarantined or the *plane* aboard which you are travelling is hijacked.
- l) The person for whom you are the estate executor dies.
- m) You are required to move more than 160 kilometres from your place of residence in the 30 days prior to your departure. This transfer is required by the employer for whom you were working on the date you paid your travel expenses with your *credit card*.
- n) A disaster causes significant damage to your main residence located in your *province of residence* or to your place of business.
- o) A particular situation occurs in your destination country or region, which prompts the Canadian government to issue a travel advisory against travel to that destination. This advisory must have been issued after the date on which your plane ticket or travel package was purchased.
- p) Default of the travel service supplier. The travel service supplier must have an office in Canada and hold all the licences and operating certificates required by the competent Canadian authorities.

- q) The company you work for shuts down operations (lock-out), declares bankruptcy or you involuntarily lose your *permanent employment*. These causes can only be argued if:
- at the time the travel expenses were paid with your *credit card*, you had been actively working for the same employer for more than one year; and
 - you had no reason to believe that you would lose your job.
- r) Your cruise is cancelled due to a mechanical failure, grounding or quarantining of the cruise ship or it is repositioned due to bad weather. The cancellation can occur either prior to the departure date from your *province of residence*, or after this date if the cancellation occurs before the departure date of the cruise ship.
- s) If your connecting *common carrier* or *vehicle* is delayed due to a traffic accident or emergency road closure by police. The *common carrier* can also be delayed by mechanical problems, inclement weather, or a natural disaster. This delay must result in you missing a connection that prevents you from continuing your *trip* as planned.

Covered costs if the reason for cancellation occurs before departure

In the event of cancellation prior to departure, this coverage provides for reimbursement of the following expenses, provided you charged them to your *credit card*, up to the maximum amount of insurance indicated in the table of coverage:

- a) Prepaid *travel* expenses that are not reimbursed by the *travel service supplier* (the *Insurer* considers travel credits a reimbursement).
- b) Additional expenses incurred as a result of the following:
- one of your *travelling companions* must cancel for one of the reasons described above, and you decide to proceed with the *trip* as initially planned, without this *travelling companion*.

The *Insurer* will reimburse some of the cancellation fees stipulated in the *travel service supplier's* contract.

These expenses are determined on the basis of the date of the *event* causing the cancellation or in the case of a statutory holiday, the first business day thereafter. Furthermore, reimbursement is made only if the travel agency or carrier concerned is notified on the day the cause for cancellation occurs. In the case of a statutory holiday, notification can be given on the first business day thereafter. The *Insurer's* claims department must be informed at the same time.

Covered costs if your departure is delayed or if you miss a connection

The *Insurer* will reimburse the following expenses that are not reimbursed by the *travel service supplier* (the *Insurer* considers travel credits a reimbursement), provided you charged your travel ticket to your *credit card*. The maximum reimbursement corresponds to the amount of insurance indicated in the table of coverage. Eligible expenses are as follows:

- a) The additional cost of a one-way, economy-class ticket by the most direct route to the scheduled destination if you missed a connection due to any of the following reasons:
 - delay of the *common carrier* (*plane*, bus, train, boat, taxi or limousine), if the delay is caused by inclement weather, a natural disaster, or mechanical problems; or
 - delay of the *common carrier* or a *vehicle* if your delay is caused by a traffic accident or emergency road closure (in which case a police report is required).

In all cases, you must have planned to be at the point of departure at least 3 hours before the scheduled time of your departure.

- b) The additional cost of a one-way, economy-class ticket by a scheduled carrier (*plane*, boat, train, bus) by the most direct route. This ticket will allow you to rejoin your group for the rest of the *trip* if:
 - your departure is delayed because you became ill or had an *accident*;
 - your *travelling companion* became ill or had an *accident*.

- c) Reasonable *living expenses*. The maximum reimbursement for *living expenses* is \$200 per day, for a total of \$2,000.

Covered costs if you must return early or delay your return

The *Insurer* will reimburse the following expenses that are not reimbursed by the *travel service supplier* (the *Insurer* considers travel credits a reimbursement), provided you charged your travel ticket to your *credit card*. The maximum reimbursement corresponds to the amount of insurance indicated in the table of coverage. Eligible expenses are as follows:

- a) The additional cost of a one-way, economy-class ticket by the most direct route for the return trip to your point of departure. The same means of transportation as the one used to make the *trip* must be used for the return trip. If, because of an *illness* or an *accident*, your return is delayed by more than 7 days after the scheduled end date specified in your *special conditions*, the claim will be paid only upon presentation of proof of your hospitalization.
- b) Reasonable *living expenses*. The maximum reimbursement for *living expenses* is \$200 per day, for a total of \$2,000.
- c) The unused portion of the land arrangements of the *trip* (hotel reservations, car rentals, etc.) paid for with the *credit card*.

3. Baggage coverage

You are only insured under **Baggage coverage** for the number of days indicated in the table of coverage. If the duration of your *trip* exceeds this number of days, you will not be covered for the exceeding days. This coverage provides for compensation in the following cases:

- a) your baggage or personal effects are damaged or lost by the *common carrier* or are stolen;

b) return of your baggage or personal effects is delayed for more than 6 hours because they were not routed as planned. This baggage must, however, have been checked with a *common carrier*.

The compensation provided under this coverage cannot exceed the amount of insurance indicated in the table of coverage.

In case of theft or damage, compensation cannot exceed the following amounts:

- a) \$500 per item;
- b) \$500 for each of the following groups of items:
 - jewellery, watches, or articles made of silver, gold or platinum;
 - cameras, photo equipment, and related accessories;
 - cell phones and related accessories;
 - laptop computers, tablets and related accessories;
 - video or audio recorders and related accessories.

In case of theft, compensation cannot exceed \$250 for all the following expenses combined: replacement of a passport, driver's licence, birth certificate or visa.

In case of delay in recovering your personal effects, the maximum amount reimbursed for toiletries and essential clothing is \$500. This amount is reimbursed only if the *insured* purchases the essential items before the baggage is recovered and before returning to the point of departure in their *province of residence*. Furthermore, the compensation paid for delayed baggage will be deducted from the total amount of insurance if a loss is subsequently ascertained.

The *Insurer* reserves the right to elect to repair or replace damaged or stolen property by items similar in nature and quality. Furthermore, the *Insurer* is liable only for the actual value of the property at the time the covered loss or damage occurred.

Important

Limitations, restrictions and exclusions

Limitations for pre-existing medical conditions or injuries

The following tables apply to **Trip Cancellation** coverage only.

To find out whether the limitations for pre-existing medical conditions or injuries apply to you, answer the questions in the table that corresponds to your **age** (below).¹

Consequently, these limitations exclude from coverage any pre-existing medical conditions or injuries that were not stable* during the period indicated in the table, even if:

- a) the **Insurer** agreed to insure you; and
- b) the medical condition or injury was reported to the **Insurer** in the insurability questionnaire.²

Notes:

- ¹ If you have more than one pre-existing medical condition or injury (other than a **minor ailment**), the questions must be answered for each one individually.
- ² The **Insurer** will use the answers from the insurability questionnaire to decide whether you can be insured and at what price, based on the risk you represent. However, you are not covered for any medical conditions and injuries that are not stable* during the period indicated.

AGE 54 OR UNDER
During the 3 months preceding
the date of the initial payment
(partial or total) of the cost of the *trip*
using your *credit card*

Did the *insured* have a medical condition or injury (other than a *minor ailment*) for which they:

- consulted a *physician*?
- took medication?
- were hospitalized?
- received treatment?

Or were advised to do so by a *physician* or are waiting for results?

NO	YES	
Insured	Did the <i>insured</i> have this medical condition or injury more than 3 months before the effective date of coverage and did it remain stable* during the 3 months preceding the effective date of coverage?	
	YES	NO
	Insured	Not insured for this or any other related medical condition or injury, even if it was reported in the insurability questionnaire.

AGE 55 OR OVER
During the 6 months preceding
the date of the initial payment
(partial or total) of the cost of the *trip*
using your *credit card*

Did the *insured* have a medical condition or injury (other than a *minor ailment*) for which they:

- consulted a *physician*?
- took medication?
- were hospitalized?
- received treatment?

Or were advised to do so by a *physician* or are waiting for results?

NO	YES	
Insured	Did the <i>insured</i> have this medical condition or injury more than 6 months before the effective date of coverage and did it remain stable* during the 6 months preceding the effective date of coverage?	
	YES	NO
	Insured	Not insured for this or any other related medical condition or injury, even if it was reported in the insurability questionnaire.

* "Stable" means that the *insured* was not hospitalized and the treatment and dosage of medication was not changed (other than decreased). In the case of someone taking Coumadin or medication for diabetes, "stable dosage" is not a factor that is considered. The concept of stability does not apply to *minor ailments*.

The 3- or 6-month reference period starts on the date you pay for your travel ticket in full or make your first partial payment with your *credit card*.

Limitation related to the Common Carrier Accident coverage

The total amount payable by the *Insurer* as a result of the same *accident* is limited to C\$10 million for all *insureds* under similar policies. If the total amount of claims submitted exceeds this limit, the total amount payable by the *Insurer* will be limited to C\$10 million. The benefits payable to each *insured* will be reduced accordingly.

Restrictions

The *Insurer* is not responsible for the availability or quality of the care or services received.

Maximum reimbursement is \$2,500 in the case of *default*. You must, however, have given the *Insurer* written authorization to claim, on your behalf, any amount paid.

The *Insurer's* liability is limited to \$500,000 for all the expenses incurred following the *default* of a single *travel service supplier*. It is also limited to \$1,000,000 per calendar year for all expenses incurred further to the *default* of all *travel service suppliers* combined.

The *Insurer* will pay only half of the amount that would otherwise have been reimbursed if it recognizes an act of terrorism occurring before departure as a cause for cancellation.

Common Carrier Accident coverage

If the *insured* dies within 52 weeks of the *accident* as the result of the *accident*, only the accidental death benefit will be paid.

If the *insured* sustains more than one *loss of use* as the result of an *accident*, the *Insurer* pays the highest amount of insurance from among the *losses of use* sustained.

The *insured* will be presumed dead, if their body is not found within 52 weeks of the *accident* or if, based on the circumstances surrounding the *insured's* disappearance, it may be assumed beyond any doubt that the *insured* is dead.

Exclusions

The *Insurer* does not pay the amounts set out in the contract in the following circumstances: (An «X» indicates the coverage to which each exclusion applies.)

The *Insurer* may cancel the contract in any of the following situations:

- d) an official document stating the cause of cancellation of your *trip*. If cancellation is due to medical reasons, you must provide a medical certificate from the attending *physician* practising in the region where the *accident* or *illness* occurred. This medical consultation must have taken place before the date of your departure or before the date of your return, as the case may be. Furthermore, the medical certificate must indicate the complete diagnosis and specify the exact reasons why the *trip* had to be cancelled.

For **Baggage** coverage, you must also:

- a) notify the police as soon as you become aware of the loss;
- b) notify the *Insurer* as quickly as possible;
- c) take all reasonable steps to protect, safeguard or recover your property;

In all cases, you must send your claim to the *Insurer* within 90 days of the loss. Proof and other information must be sent to the *Insurer* within 90 days of filing your claim.

The *Insurer* will pay no benefits until you or any other person entitled to receive benefits authorizes the collection and disclosure of personal information.

When you submit a claim, the *Insurer* reserves the right to have you examined by a *physician* of its choice.

For all **Baggage** claims, the *Insurer* may demand to see any damaged property or items in order to assess the damage.

b) Insurer's reply

Once the *Insurer* has approved the claim, benefits will be paid within **60 days** of receipt of the documented evidence required.

If the *Insurer* does not approve the claim or only pays a portion of the benefit, it will send a letter to the claimant explaining the reasons for its decision. It will send the letter within **60 days** of receipt of the documents requested to examine the claim.

c) **Appealing the Insurer's decision and recourse**

If the *Insurer* does not approve your claim, you may submit additional information and request that it review your file. This option is also available to your beneficiaries.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or any applicable law.

Benefit payment methods

Notice required under the law
This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

Payment of benefits or the reimbursement of expenses incurred by an *insured* will be made by direct deposit or by cheque payable to the *cardholder*. For the **Common Carrier Accident** coverage, in the event of death, payment will be made to the *cardholder* or to their legal heirs, if *cardholder* is deceased. In the case of a *loss of use*, the payment is made to the *cardholder* if the *insured* is of the age of majority, or to the *cardholder's* legal guardian if the *insured* is a minor.

It is understood that no benefits will be paid if the *Insurer* has refunded all or part of your insurance premium before receiving your claim.

Unless otherwise indicated, all amounts specified in the insurance contract are expressed in Canadian dollars. All payments set out in this contract will be made in Canadian currency at the prevailing exchange rate on the date of the payment by the *Insurer*.

Multiple insurance coverage

In the event the *insured* is covered by more than one travel insurance contract, this Travel Insurance will provide reimbursement of expenses and payment of benefits for amounts in excess of the coverage provided by any other contract.

Coordination of benefits

The *Insurer* takes into account any benefits and reimbursements that can be obtained from other organizations (private or public), so that the amounts paid to the *cardholder* do not exceed the expenses actually incurred. The benefits and reimbursements that can be obtained from another organization include those that would have been paid by this organization if a proper claim had been submitted to it.

The order of payment of benefits is established as follows:

- a) An organization that does not have a coordination of benefits provision becomes the first payer of your benefits.
- b) Otherwise, your benefits or reimbursements will be divided proportionally between the organizations, based on the amounts that should have been paid by each of them.

Delegation

The *cardholder* delegates to the *issuer* of the *credit card* their right to negotiate the insurance contract as well as modifications made thereto.

Right of subrogation

The *Insurer* automatically acquires the right to prosecute the perpetrator of the damage in your name and at its own expense, up to the amount of benefits it paid out.
